"68"  
Bob!  
I want to  
wish ya the best  
life can offer! you deserve  
no less.  
and the wonderful times we've  
had knowing me always  
the time my Dad hit the Deer  
going skating I know I'll never  
forget about it. Remember when you'd  
always beat me playing Pool. Someday  
I'll win. (you just wait & see!)

fun we'd have going bowling and  
especially roller skating. Remember  
the "Boy" Stumpy" asked us "are we  
engaged yet?" his so crazy but his  
OK that way. Remember the 1969  
Fair and the night I  
won" Snappy Bob" and I said "look look"  
and you always say that to me.  
I really don't mind it.  
and I'll never forget me  
you probably think I'm  
crazy and I am in  
my own way but it's  
only human for me,  
you are really  
the nicest guy  
and the sweetest one

# DEDICATION

It is an honor to pay tribute to one who has become such a genuine part of Fort Ashby High School.

Her contributions are quiet ones: She gives advice; she becomes involved in the activities and efforts of the student body; she knows where things are, who's supposed to be where and when, and what's going on and why.

For all she is to them, for all she does for them and for the entire school, the 1968 Fortress Staff dedicates this book to our secretary, Mrs. Frances Alkire.

## JOY

God sent us Joy down from heave above,  
For eighteen years she was ours to love.  
Not very long to live on this earth  
For one so happy and full of mirth.  
Happy-go-lucky, wanting to have fun,  
Always with a joke for everyone.

Her life was filled with sickness and pain  
In and out of the hospital again and again.  
Most of us, I'm sure, would complain and fuss  
If we had to bear even half as much;  
But amid all her suffering Joy could smile  
"Oh, I'm okay," she'd say in her inimitable style.

Yes, we'll always remember Joy -- her laugh and her song;  
Though her body's not here her spirit lives on.  
We know she is happy now and free from pain,  
And we would not wish her back here again.  
But we want to say, "Thank you, God above,  
For sending us Joy to know and to love."

## ADMINISTRATION

## PRINCIPAL'S MESSAGE

### SENIORS:

As this year draws to a close, search your hearts to rediscover those things which give meaning to your life at Fort May High School. Some will remain for one reason or another vivid in your memories. Others will grow insignificant with the passage of time. There will be an endearing value -- qualities such as honesty, courage, perseverance, justice, and respect.

Your education, whether in school or out, is just beginning. It is a process which will continue throughout your life. Choose wisely as you make your decisions for each will help fashion your most priceless possession, your character.

Though every man and woman dreams of doing some great and good deed, we should remember that it is the little things in life that count. Try to do some of the little things each day for them, this world a more joyous place in which to live. Always, may I wait for each of you the happiness and satisfaction for which you seek.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "J. William Marker". The script is cursive and fluid.

# Fort Ashby's Rod Knotts Cracks 17-Year-Old Mark

Eagle Scores 64

## Hartman Record Beaten By Knotts

Wipes Out Hartman's  
1951 High By Scoring  
64; Eagles Win, 95-71

A record that had been on the books for 17 years was erased last night when Rod Knotts tossed in 64 points as Fort Ashby defeated Ridgeley in a P.V.C. basketball game by the score of 95 to 71.

Knotts made his 64 points on 27 field goals and 10 13 at the foul line to wipe out the 62 point output made on the same court by Carl Hartman, of Ridgeley, against the West Virginia School for the Deaf in a P.V.C. contest in 1951. Hartman, who was among the nation's top collegiate scorers when he played at Alderson Broaddus College, Philippi, W. Va., formerly coach at Shepherd College and is now the Davis & Elkins College basketball mentor.

Bernie Wolford was the only other Fort Ashby player in double figures with 11 tallies.

Steve Detrick and Rich Houdersheldt with 18 and 16 tallies headed the Ridgeley scorers.

Knotts scored three goals less than the output of the Ridgeley team and finished up with seven points less than all of the Blackhawk players combined.

Fort Ashby led at halftime, 46-22.

In the preliminary game, Fort Ashby's junior varsity beat Ridgeley, 43-32.

THE TRI STATE AREA'S scholastic basketball scoring record is tied up "in Knotts." Rod Knotts, above, of the Fort Ashby High Eagles broke Carl Hartman's (Ridgeley) record of 17 years Friday night by scoring 64 points as the Eagles triumphed 95-71 at Ridgeley. He tallied 27 field goals in 38 attempts and had a 10-for-13 night at the foul line.

Fort Ashby has won 13 games and lost six while the Pirates are 2-17.

In the preliminary game last night, Bob Eaton scored 11 points and Jim Campbell ten to pace Paw Paw's junior high team to a 31-26 victory over Fort Ashby.

Ridgeley High's basketball team was tied in Knotts last night and as a result a 17-year-old area scoring record was reduced to second best.

Rod Knotts had a fantastic evening for the Eagles of Fort Ashby, scoring an almost unbelievable 64 points as his team clobbered the Black Knights 95-71 at Ridgeley. Knotts pumped in 27 field goals—yes, 27 field goals! — and converted ten of 13 free throws in erasing the standard formerly held by Carl Hartman, present coach at Davis & Elkins College.

Strange as it may seem, the new mark was put into the books on the same

night when Knotts tallied 64 points for Ridgeley in a game against West Virginia Deaf School. Both of the record-breaking performances came in Potomac Valley Conference competition.

Bob,

Best of luck to a  
real neat guy. I hope  
your future is bright  
and prosperous.  
Remember all of the  
good times we've  
had, especially do-  
ing the Jr. class  
play. I really en-  
joyed working  
with you. I hope  
we can do the  
same next year!  
Good luck with  
that special girl.  
Stay sweet and  
as Charlie says  
"Play Safe!"

A friend always,
